***Ticket Policy:** The annual Gettysburg Civil War Battle Reenactment is an outdoor weather related event staged entirely in farm fields and like all outdoor events, the ability to perform, and public safety considerations can be affected by serious weather and turf conditions, which are beyond the organizers control. Tickets are absolutely non-refundable as indicated by the specific terms on each ticket, and on our website-www.gettysburgreenactment.com, rack cards and other printed materials. In the unlikely event of a necessary and unavoidable postponement, the re-scheduled dates for the 2012 event would be August 3, 4, & 5, 2012--tickets would then be honored for any day of the re-scheduled event. To check the event status at anytime you may log onto our website: www.gettysburgreenactment.com, information is posted immediately on the "home page" or you may contact us by phone at 717-338-1525.
